Marina Zenta is known for its excellent location, just a few minutes away from the city center. It is located on the southern side of Split, between the Firule and Žnjan beaches. The marina is well-protected from all winds.

The western side of the marina, there is a commercial section with around 50 berths, while the entire eastern side has a pool with a total of 700 berths for residents' boats. Near the marina, you'll find sailing, swimming, and water polo clubs. Within the marina's vicinity, there are two cafés, two restaurants, two pizzerias, as well as an open public parking area. A beautiful sandy beach is located just 50 meters away.

The entire area is under sailors' video surveillance 24 hours a day. It takes a 10-15 minute walk from the Marina to Diocletian's Palace. Getting to Marina Zenta from the entrance to the city of Split is straightforward. Follow the signs for the ferry port and turn south near the main hospital.

Marina Zenta is near the main Split hospital (see the map), and tennis club Split. The marina is open year-round.

Navigation/Approach: Marina Zenta is located on the southeastern coast of the Split port (Split Bay), entered between the green and red lighthouses, approximately 500 meters east of Split. Our base is located on the western side of the entrance to Marina Zenta (see the picture). To enter the marina, come from the east, between the red lighthouse and the breakwater of Marina Zenta.

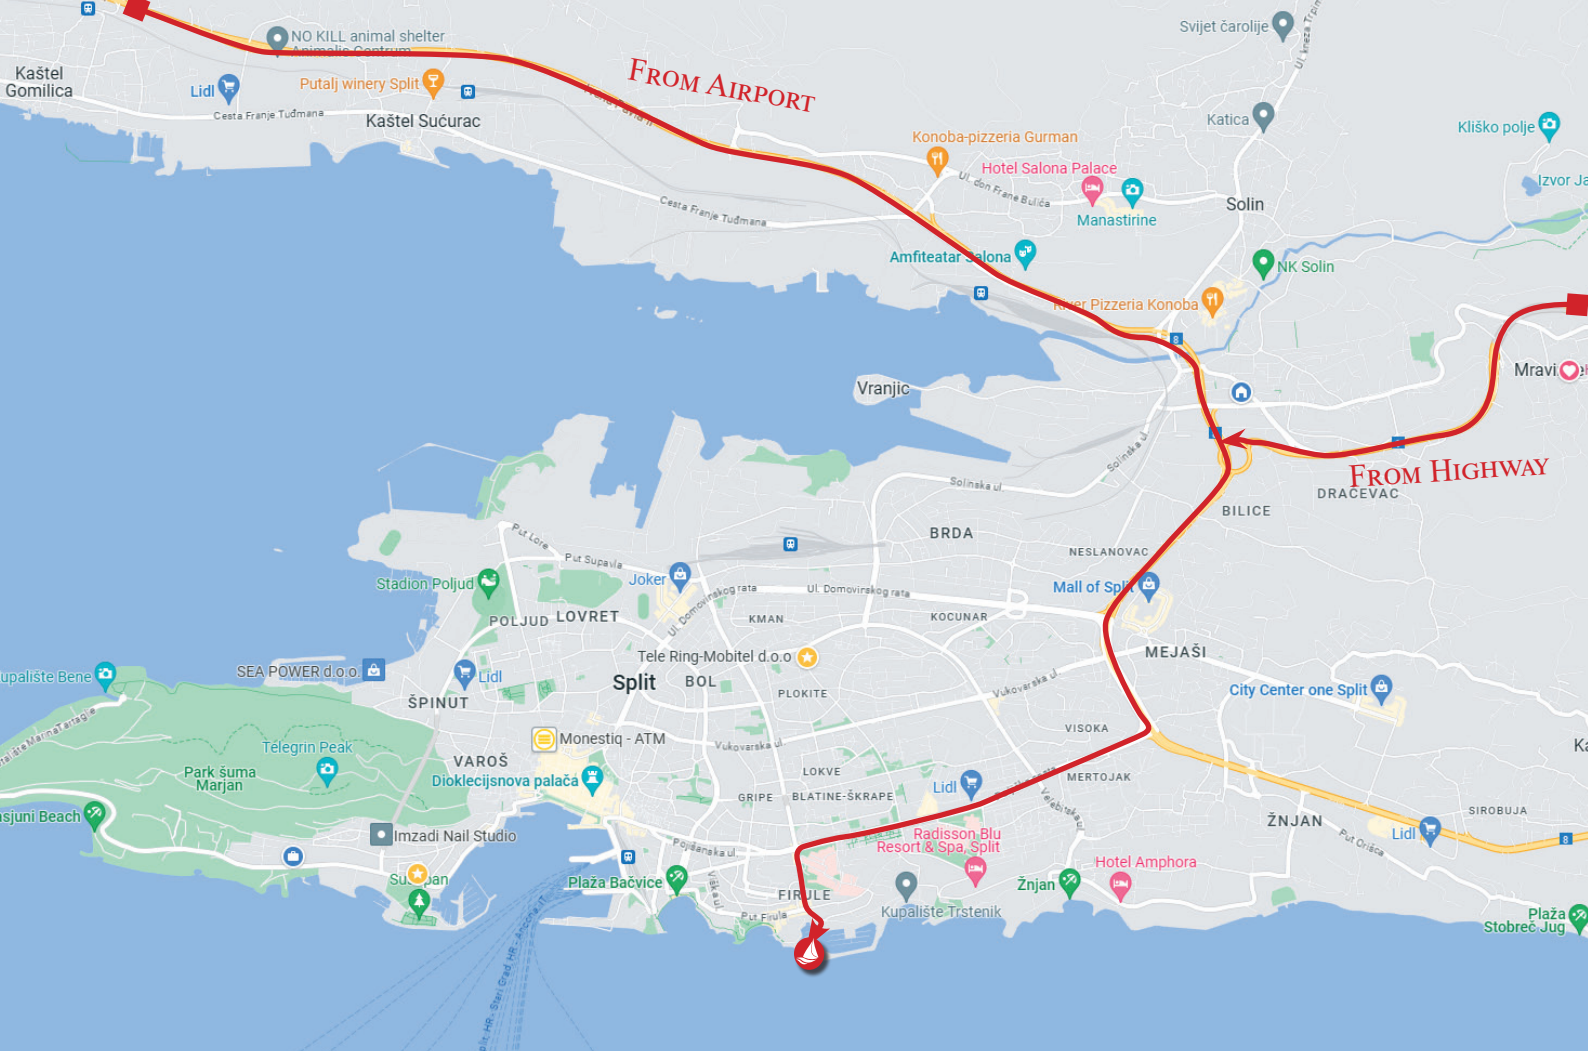

In Marina is cran for boats till 5T.

BERTHING: An hour before your arrival, contact the base manager who will provide berthing assistance. Electricity and water are available in the marina. Yachts berth stern / bows-to as directed, on the pontoon in the western basin. There are laid moorings at all berths. The maximum depths in the western basin are 5.0 meters.
